## Tagline/Synopsis

### Tagline

Sometimes you treat people better than they deserve.

### Synopsis - Short

An ungrateful widow riddled with emphysema ridicules a minority courier but is enlightened by his response.

### Synopsis – Long

Mabel has been living the same house for over 30 years. Widowed and stricken with emphysema she has become bitter and prejudiced. When her routine is broken by a minority courier delivering her weekly oxygen she lashes out. But when he responds with a profound gesture of kindness, Mabel begins to question the true quality of her life.
